

Creation Introduction – Part 1 Genesis 1 & 2

Series: The Glory of God in Creation

Gen. 1:1 – the universe and everything in it is the product of God’s _____ act. What exists, exists not because it evolved but because God created it.

Louis Pasteur, the Scientist, proved that spontaneous biogenesis cannot occur. A cell cannot add information in its DNA to take itself to a higher _____.

The Bible presents to us a clear understanding of _____ creation. *Genesis 1:1 - 2:3*

Behind everything in the universe _____ the living God who has eternally existed forever and ever. He took nothing and formed it into something in existence. This is called _____. It means out of nothing. *Hebrews 11:3*

By What Method Did God Create?

Over and over in Genesis 1 we are told that God _____ everything into being. *C.f. Psalm 33:6, 9; Psalm 145:5; Mark 13:19; Colossians 1:16; Hebrews 1:10; Romans 4:17*

All creation began and ended in _____ days.

In the six day creation account of Genesis, there is no _____ for evolution. *Gen. 1:31 “God saw everything that he had made, and behold it was very good.”*

From the very beginning, God had a plan for all of his creation, including you. No more sin, no more death, just rescue by the gracious gift of his Son Jesus Christ. Your restoration to a blessed eternal hope and existence with God the Creator forever and ever.

“For God so loved the world (you), that he gave his only son, that whoever believes in him will not perish, but have everlasting life.” John 3:16
