

## Creation Introduction – Part 2 Genesis 1 & 2

Series: *The Glory of God in Creation*

**Evolutionary Theory** – no one created the universe as it is, but it came about through chance and it somehow progresses through mutations and upward transitions.

***“In the beginning, God created the heavens and the earth.” Gen. 1:1*** We have allowed society in its ungodliness to \_\_\_\_\_  
Scripture. *C.f. Revelation 3:15-16*

**The Point:** To impose evolutionary theory on Genesis 1 means that people have to deny the simple, straightforward, historically clear account of Scripture. They have to \_\_\_\_\_ the creation account into something other than pure truth.

Evolutionary theory is based on the principle of \_\_\_\_\_.  
Life goes on and on and does not change.

2 Peter 3:3-7 tells us that indeed there have been \_\_\_\_\_ events of Creation and the Flood to prove change. God is simply waiting in His gracious patience until the end will come at the Day of Judgment.

Don't be fooled, Jesus Christ is going to \_\_\_\_\_, but God is waiting until the Gospel has been preached throughout the world.

**Why Did God Create the Universe?** He wanted to put His \_\_\_\_\_ on display. *C.f. Revelation 4:11; Isaiah 43:7, 20*

God created the Universe – to give His Son a \_\_\_\_\_. A bride that would be clothed in righteousness and holiness forever. A bride that would bear Jesus image and that would worship Him and adore Him and serve Him forever.

*“Hallelujah! For the Lord our God the Almighty reigns. Let us rejoice and exult and give him glory, for the marriage of the Lamb has come, and his Bride has made herself ready...” Revelation 19:6-7*

Even Creation calls into question, **Are You Ready?** Have you met Jesus Christ and accepted His forgiveness, and gift of eternal life?
