

Creation – Day 5

Genesis 1:20-23

Series: *The Glory of God in Creation*

“**Diversity and Complexity**” – They both point to the incredible _____ of God’s creation.

_____ points to God the Creator.

The Bible acknowledges the _____ of evolution in Romans 1:18-23.

For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who by their unrighteousness suppress the truth. ¹⁹For what can be known about God is plain to them, because God has shown it to them. ²⁰For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse. ²¹For although they knew God, they did not honor him as God or give thanks to him, but they became futile in their thinking, and their foolish hearts were darkened

Creation Day Five

This is the day God _____ the home for future man.

When God created the fish, the mammals and all the sea going life – He literally in a _____ spoke them into being.

Quote: “*The first introduction of animal life was not a fragile blob of protoplasm that happened to come together in response to electrical discharges over a primeval ocean as evolutionists believe.*”

Henry Morris

Creation on Day 5 brought _____ life and _____ life into existence - vv.20, 22.

When we take anything away from God and give it to something else, like evolutionists do, we are trying to make something complex that has no capability, no deserved power, no reality of truth into something it isn’t and cannot be.

Chance does not exist, but **GOD** does! He will not be robbed of his glory. “*My glory I will not give to another.*” Isa. 48:11
